## NEW SECURITY MEASURES

As with most school districts throughout the nation, the Denver Public Schools now requires that all outside doors be locked during school hours. This requirement includes the entrance to our offices.

Effective immediately you will need to **CALL OUR OFFICE AT 303-377-0222 PRIOR TO VISITING FOR ANY REASON**. If you stop by without calling ahead, you may be denied access.

When you have made an appointment to visit, the door will be locked when you arrive. Please ring the doorbell and someone on our staff will answer. We apologize for any inconvenience this may cause. These new security measures are for the good of all.

### Greetings from the Interim Executive Director...

Dear Friends and Colleagues:

We have experienced many personnel changes since March in the Supplemental Benefits Program, but our goal remains the same: to provide the best service to our active and retired DPS employees. Andy Raicevich retired and Martha Duncan resigned in March. Millie DeRose is planning to retire in September. I would like to thank each of them for their service to our program. A special thank-you to Andy and Millie for their continued support and for volunteering. Thank you, also, to Larry Glen our Medical Equipment Maintenance Manager, who remains with us. All three have played vital roles in making the transition as seamless as possible. Two new members have been added to our team: Teresa DeRose as Office Manager and Jodi Johnson as Assistant to the Office Manager.

The last six months have been a true blessing for me assisting and visiting with people picking up and dropping off equipment, or submitting a claim. I would like to invite you to stop by our office when you are close to Palmer Elementary to say hello and meet Teresa and Jodi. We are located in the northwest corner of the school, at the corner of 11<sup>th</sup> Avenue and Glencoe Street.

Thank you to our active employees who took the time to stop by our table at the benefits fair last May. I was touched as I listened to you express the ways you have already benefitted from SBP. This was validating to me and shows that our best marketing is still word-of-mouth. Please continue to share with others the benefits of our unique service organization.

I need to mention the person who encouraged me to get involved in the Denver Teachers' Club, my dear friend Paul Distefano. Paul was a former Club president (1986) and following his several leg surgeries and eventual amputation, he told me how the DTC had helped him and his family through some very difficult times. He then asked me to consider serving on the board of directors. Well over twenty years later, I have never regretted giving Paul my response of 'yes'. I look forward to keeping the Supplemental Benefits Program on the path of quality service for DPS employees and retirees for another 117 years.

Sincerely,

Patrick Smaldone

## PAYROLL PROTECTION PLAN

**DID YOU MISS TIME FROM WORK DUE TO ILLNESS LAST YEAR?**

**DID YOU RECEIVE A CHECK FROM THE  
DPS SUPPLEMENTAL BENEFITS PROGRAM?**

### Open Enrollment begins September 2, 2013

With the unending changes to your health insurance plan, including higher premiums, deductibles and co-pays, a little added financial cushion can be a life-saver. If you are a vested member of the **Payroll Protection Plan**, **your unexpected medical expenses may be fully covered**. Whether you have medical expenses not covered by your insurance or need extra cash to cover normal expenses while you are ill, the extra income provided by the **Payroll Protection Plan** can make things easier for you. Be sure to file your claim as soon as you know you will be missing more than two weeks of work. You do not need to use all your accumulated sick leave in order to receive these benefits, nor does your participation in any other program prevent you from receiving these benefits.

You can now access detailed information about this unique insurance through our link on the **DPS Employee Benefits website under Additional Benefits**.

If you would like to join immediately, making you eligible for benefits during the 2013-2014 school year, you may do so one of three ways:

## Good News Regarding Charitable Giving through Your IRA

We have learned that Congress recently approved a two-year retroactive IRA Charitable Rollover Extension. This permits an individual retirement account (IRA) owner 70½ or older to make a direct transfer to charity without recognizing the assets transferred as a taxable distribution. The transfer may be up to \$100,000. Between now and December 31, 2013:

- Individuals age 70½ and older may transfer up to \$100,000 per year directly from a traditional or Roth IRA to charity.
- The charitable distribution counts toward Required Minimum Distribution (RMD) requirements.
- Charitable distributions may be made in addition to any other charitable giving you may have planned.

*Since the funds in IRA accounts were deductible from taxable income at the time they were deposited, the distribution to charity cannot generate an additional tax deduction. However, because the distribution from the IRA to charity avoids the taxation that would ordinarily occur, even taxpayers who don't itemize their deductions can benefit from making such a gift. We recommend you seek the advice of your tax and/or legal counsel before deciding on a course of action.*
